Who is Moua?

The art of making your events shine

Based in Yverdon-les-Bains, Moua has specialised in private, public and corporate events since 2018. Music, interactive games, face painting, glitter, temporary tattoos and creative workshops: we create moments that bring people of all ages together.

Sabrina Howald
Coordinator & entertainer

A dedicated, passionate team

Moua is led by Malika Ajlani, founder and creative director, and Sabrina Howald, coordinator and entertainer. They combine their talents to bring your events to life. Our entertainers are carefully selected, trained and supported throughout the year.

Rooted in northern Vaud, our team adapts to every kind of event, from children's birthdays and festivals to corporate outings and equipment hire.

We work in a multilingual environment: the whole team speaks French, and many colleagues also speak English, German and Italian.

Live music with Shaka Waka

Wedding, after-work drinks, birthday or village party? Shaka Waka gets your guests buzzing! From an interactive music quiz to an intimate double bass and vocals duo, enjoy music tailored to you, with a playful twist.

Our signature concept: Music quiz, live karaoke & concert

Shaka Waka revisits over half a century of songs that have left their mark on stages, dance floors and radio - for better or worse! At this interactive concert, guests can play the music quiz or simply enjoy the energy. Songs are rearranged to capture their essence. From The Mysterious Cities of Gold to Diam's, Jean-Jacques Goldman and AC/DC, they turn up the heat and bring back memories.

In quiz mode, guests join a live music challenge! Several formats are available, including an obstacle course before hitting the buzzer, a digital quiz and more.

New at Moua: live karaoke! Take the stage and sing with Shaka Waka's musicians. Lyrics are projected behind you so everyone can follow and sing along. A shared live experience, halfway between concert and participation.

Circus Tour option: Shaka Waka goes spectacular! A two-hour show combining live music, circus, magic, humour, candy floss, popcorn and balloons. An immersive set and a lively stage where even guests can join in! Tailored to the venue, audience and budget.

Wedding celebrant & event host

A ceremony that truly reflects you

Meet your celebrant

I feel naturally at ease with people, whatever the setting. I love writing and performing words, emotions and songs in just the right tone for each moment. Giving voice to what hearts whisper, moving from tears to laughter while remaining authentic: that is the beauty of this unique, shared moment.

I bring these people skills to couples and their loved ones. I take time to understand what matters to them, guide them when needed, help with choices and meet those close to them, so their wedding truly feels like theirs. Whether rustic, spiritual, rock'n'roll or eccentric, I adapt: the ceremony will always reflect them.

After every wedding, I feel the same gratitude for the trust placed in me. People who barely knew me a short time ago now welcome me into their closest circle.

I leave a mark on their lives and in their photos, and they remain in my heart. Preparing the ceremony means sharing powerful stories: joy and laughter, but also difficult chapters, painful losses and absences that have helped shape who they are today.

Our conversations are often deeply personal, and I keep them confidential for life. They allow me to put emotions into words, even those too heavy to say aloud. Sometimes we need to express them with dignity, to find release or acknowledge the past. Then, in a shared glance, we both know that the essential has been quietly spoken in a ceremony where time stands still.

Beyond weddings, we also help you celebrate other special occasions: stage shows, corporate events, symbolic celebrations and festive gatherings. We adapt

the words, tone and hosting to your occasion, with warmth, authenticity and a touch of humour.

Our celebrant's service includes:

- At least 2 preparation meetings, online or in person
- Contact with loved ones to help write the ceremony
- Ideas and development of rituals unique to your couple
- Writing the ceremony structure and full script
- Coordination with everyone involved in the ceremony

les aventures de CLÉO

Cléo in a nutshell

Fearless, a little clumsy and utterly lovable, Cléo the kitten takes you on adventures on stage and in books. A small children's project that has grown into something much bigger...

Created by Malika Ajlani, Cléo first came to life in an early show script, written one evening in a hotel room at Europa-Park. The idea of a book and educational projects soon followed. "I saved every penny to make it happen, but

the more I saved, the bigger the project became," Malika explains. Successful crowdfunding then helped finance part of it, marking the real start of the adventure.

Along the way, talented people joined the team, including Swiss illustrator Joël Schopfer, known as Gueguel, and composer Pascal Girod.

A lovable character

Cléo is becoming a familiar character for children in French-speaking Switzerland. "Our

aim is for children to make him their own, so Cléo becomes a little Romand just like them."

All projects, from books to shows, are reviewed and/or checked by early-years educators and teachers.

Exhibitions & activities

The next pages present activities including the mascot, treasure hunts and kids' area. Our animated Cléo exhibitions are mainly designed for shopping centres and similar venues. They offer original children's activities in a wholly French-speaking Swiss universe. Exhibition information pack available on request.

Step into the magical world of Les Aventures de Cléo with a themed exhibition!

Colourful scenery and original activities: an exhibition designed to fit your venue.

Travel

Travel is calculated from Moua's headquarters in Yverdon-les-Bains, or from the entertainer's home depending on the service, at CHF 1.50/km for the outward and return journeys.

Hire

Equipment is carefully checked before hire and on return. A deposit and a copy of the event insurance policy may be required, or private liability insurance for individual hirers. Any damage is charged in addition to the hire fee.

Liability

The client is liable for personal injury and property damage during an event, unless caused by the entertainer's gross negligence or intentional conduct.

The client is liable for damage to equipment caused by guests' negligence or intentional acts during the event.

• If the entertainer cannot provide all or part of the agreed services because of circumstances beyond their control at the venue(s), such as force majeure, natural disasters, official orders, client default, power failures or supply fluctuations, the client may not terminate the contract for good cause or withhold payment.

• If the chosen entertainer cannot attend for valid reasons, such as illness or accident constituting force majeure, Moua will provide staff to deliver the booked services or at least equivalent services.

• The client is the event organiser and must ensure optimal conditions for guests, complying with health regulations in force at the time. In the event of a dispute, jurisdiction is Yverdon-les-Bains.

Minimum charge & surcharge

The minimum charge is CHF 250.- for daytime services, CHF 450.- for weekday evenings and CHF 600.- at weekends, excluding sound equipment and travel. Sunday and public-holiday services usually carry a 20% surcharge.

Withdrawal & cancellation

Free cancellation is possible only for illness, including COVID-19-related illness, with supporting documentation. Otherwise, the client may cancel under the following conditions:

• Up to 4 months before the event: no charge if no preparation meetings have taken place. If they have, CHF 150.- plus travel expenses will be charged.

• Up to 2 months before the event: cancellation fee of 30% of the contract value.

• Up to 45 days before the event: cancellation fee of 50% of the contract value.

• From 30 days before the event: the full order-confirmation amount is due, excluding travel expenses planned for the event day.

Confirmation & payment

A booking becomes final when the client returns the dated, signed quotation or confirms in writing by email or another communication channel that they wish to book. The quotation automatically becomes an order confirmation and may only be cancelled under the conditions above.

A 30% deposit may be requested no later than 3 months before the event. The balance must be paid by the event day, before the service begins.
